Heart Changer

Fear can prevent us from opening our hearts to a greater purpose and plan for our lives. Christopher's story challenges our objections to opening ourselves up to the calling of our heart to live more intentionally as Christians.

Despite the obstacles we all face, there is joy in the journey. God uses everything in our lives to bring us closer to him. It causes us to reexamine if we REALLY trust God with the biggest and smallest details in our lives.

Audiences will become more aware of ability, rather than disability. They will witness friendship, sacrifice and problem-solving. Additionally, there will be a greater understanding of how collaboration and community changes outcomes. Christopher's life is that example.

"I have attended church all of my life, 65 years, never have I been as blessed or felt God's Spirit as strongly as I did the Sunday that Christopher Duffley lead worship service. I pray I never get over the experience of hearing him sing 'You're a Good Father' or 'I Can Only Imagine'. How wonderful to see such a young man be used by God to touch hearts and lives. I pray I never get over the impact that service had on me."

Impact of our Ministry

I have been blessed to be in pastoral ministry for over 35 years, and am amazingly blessed to be in my 25th year as Senior Pastor of Cresthill Church. In all of my years of service, having had innumerable speakers, preachers, concerts, etc. come to our church, I can tell you beyond any shadow of a doubt that my most enjoyable experience has been with Christopher and Christine Duffley. Their communication prior to coming, their servant's heart, their flexibility, and their Christ-like attitude all added up to a memorable, phenomenal, wonderful experience! So, to you my pastor friend, allow me to highly recommend Christopher Duffley to you and your church! I will tell you that you and your staff, leaders, members and honored guests will be talking fondly about their worship experience for years to come!
